Payment Methods

Students enrolled in any program must pay at least USD 225 (and USD 75 international mailing fee if applicable) before the I-20 can be processed. The tuition balance is due in full on the first day of each quarter.

Students can make their payment in one of the following four ways

1. Checks in USD payable to New York Business Institute
2. International money order in USD payable to New York Business Institute
3. Wire transfer and Western Union: contact us to inquire our account information
4. We accept credit cards (VISA, MasterCard, American Express and Discover) issued in the United States. However, we can only accept cards that are swiped on the credit card reader in our premises.

The above information is correct, and I am aware that the issuance of the I-20 form by New York Business Institute, admission to the school's programs and continued attendance in the school are subject to payment of all fees and tuition.

I have read and agreed with New York Business Institute's schedule of rates, costs, conditions and refund policy.
